ON CHILDHOOD
GRIEF

Safe Crossings Foundation is excited to present the **5th Annual Northwest Conference on Childhood Grief**. As the leader in funding grief support services for children in the Pacific Northwest, SCF is hosting a conference that provides CEUs and the opportunity to build community, share ideas and learn together.

This one-day conference will be held at the Puget Sound Educational Service District in Renton on **Tuesday, March 26, 2019** and will focus on the theme of **Connecting Children to Grief Support**. The conference is designed for grief support providers, including clinicians, therapists, counselors, teachers, school staff, healthcare workers, and community members.

Goals for the Conference

- Provide education on best practices through the exchange of timely clinical information, programs, advances in research, and ideas for successful children's grief support programming
- Provide practical tools and skills to use when supporting grieving children
- Create a space for sharing diverse perspectives, connecting, and learning from each other
- Promote networking and support among colleagues
